About Me

I Highly motivated Information Technology Diploma graduate with a strong foundation in data analysis and software development. Eager to apply acquired technical skills and a keen problem-solving mindset to contribute to a dynamic organization and grow professionally.

WORK EXPERIENCE

2026-2027

Singapore Post

Intern Data Analyst

- Analyzed large datasets to identify trends and insights, supporting operational efficiency and strategic decision-making within Singapore Post.

2024-2025

Shangri-la Hotel

Part-time Banquet Server

- Delivered high-quality food and beverage service for a variety of events, ensuring guest satisfaction through meticulous attention to detail and professional presentation.

2022-2023

McDonald's

Employee

- Managed cash transactions accurately, handled food preparation, and maintained high standards of cleanliness and food safety.

ACHIEVEMENTS

- Independently learned and applied Python for data parsing and SQL for complex database queries to complete challenging academic projects, consistently achieving above average grades and successfully deploying all project prototypes
- Successfully completed 'Smart Campus Navigation App' by independently designing and implementing a real-time pathfinding algorithm and interactive map interface using Java and Android Studio, demonstrating strong problem-solving and mobile development skills

CORBIN GO

JUNIOR SOFTWARE ENGINEER

Hiring Manager
Shopee Singapore

51, Science Park
Road, Singapore
117586

Dear Hiring Manager,

I am writing to express my strong interest in the Junior Software Engineer position at Shopee Singapore. As a recent Information Technology Diploma graduate from Nanyang Polytechnic, I am eager to apply my skills in data analysis and software development to your team.

My internship as a Data Analyst at Singapore Post provided hands-on experience in analyzing large datasets to support operational efficiency. Furthermore, my final year project, the 'Smart Campus Navigation App,' showcased my mobile development and problem-solving skills, utilizing Java and Android Studio. I possess a solid foundation in Python, SQL, JavaScript, React, Node.js, HTML, and CSS.

My resume is attached for your review, and you can explore my digital portfolio at <https://sprightly-sfogliatella-0ad183.netlify.app> for further insight into my work.

Thank you for your time and consideration. I look forward to your favorable response.

Sincerely,

A stylized, handwritten signature in black ink that reads "Corbin Go". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
